Implementation sequence planning is ongoing for Waves 7, 8 and 9. An updated implementation timeline will be published with further details.

**WAVE 1 - NOVEMBER 2, 2019**
- **EDMONTON ZONE**
  - Walter C. Mackenzie Campus
  - Aberhart Centre; Clinical Sciences Building
  - Kaye Edmonton Clinic; Mazankowski Alberta Heart Institute; Stollery Children’s Hospital; TB Central Services; University of Alberta Hospital; Zeidler Centre
  - East Edmonton Health Centre
- **ALBERTA PUBLIC LABS**
  - Sites in: Edmonton; All Edmonton Pathology; All DynaLIFE in Alberta; Cross Cancer Institute

**WAVE 2 - MARCH 2020**
- **CALGARY ZONE**
  - Royal Alexandra Hospital
  - Glenrose Rehabilitation Hospital
  - Lois Hole Hospital for Women
- **NORTH ZONE**
  - Fort Vermillion; High Level; La Crete
- **CENTRAL ZONE**
  - New Grande Prairie Regional Hospital
  - (Subject to opening dates)

**WAVE 3 - MAY 2020**
- **EDMONTON ZONE**
  - Suburban acute and Combined acute and long term care sites
- **ALBERTA PUBLIC LABS**
  - Sites in: Suburban Edmonton

**WAVE 4 - OCTOBER 2020**
- **CALGARY ZONE**
  - Alberta Children’s Hospital; Peter Lougheed Centre
  - University of Calgary Teaching Clinics
- **NORTH ZONE**
  - Acute and combined acute and long term care sites encompassing the former Peace Country Health Region
  - Fort Vermillion; High Level; La Crete
- **CENTRAL ZONE**
  - Acute and combined acute and long term care sites encompassing the former David Thompson Health Region including the Centennial Centre for Mental Health and Brain Injury and Sylvan Lake Advanced Ambulatory Care Service

**WAVE 5 - APRIL 2021**
- **CALGARY ZONE**
  - Foothills Medical Centre (including associated clinics at Richmond Road Diagnostic & Treatment Centre)
- **CANCER CENTRES**
  - Tom Baker; Holy Cross; Bow Valley; High River; Richmond Road Diagnostic & Treatment Centre
- **CANCER CONTROL ALBERTA**
  - South

**WAVE 6 - OCTOBER 2021**
- **CALGARY ZONE**
  - Rockview General Hospital; South Health Campus Hospital
- **NORTH ZONE**
  - Acute and combined acute and long term care sites encompassing the former Aspen and Northern Lights Health Regions
- **CENTRAL ZONE**
  - Alberta Hospital Edmonton; Grey Nuns Hospital; Misericordia Community Hospital

**WAVE 7 - APRIL 2022**
- **CALGARY ZONE**
  - Prevention for Implementation
  - Standalone sites for: Addiction & Mental Health; Community Care; Continuing Care (Intake/Transition); Community Palliative; Geriatrics; Home Care; Supportive Living; Standalone Long Term Care; Public Health

**WAVE 8 - SUMMER 2022**
- **CALGARY ZONE**
  - Prevention for Implementation
  - Standalone sites for: Addiction & Mental Health; Community Care; Continuing Care (Intake/Transition); Community Palliative; Geriatrics; Home Care; Supportive Living; Standalone Long Term Care; Public Health

**WAVE 9 - FALL 2022**
- **CALGARY ZONE, CENTRAL ZONE, EDMONTON ZONE, NORTH ZONE, SOUTH ZONE**
  - Addiction & Mental Health; Community Care; Continuing Care (Intake/Transition); Community Palliative; Geriatrics; Home Care; Supportive Living; Standalone Long Term Care; Public Health

**PHARMACY**
- Addiction & Mental Health; Community Care; Continuing Care (Intake/Transition); Community Palliative; Geriatrics; Home Care; Supportive Living; Standalone Long Term Care; Public Health

Implementation sequence planning is ongoing for Waves 7, 8 and 9. An updated implementation timeline will be published with further details.
Connect Care Implementation: Wave 1

eCLINICIAN TRANSITION

Clinics using eCLINICIAN at the following sites will be part of Wave 1 implementation

105 Street Building
108 Street Building
99 Street Building
Alberta Hospital Edmonton
Athabasca Place
Beaumont Public Health Centre
Bonnie Doon Public Health Centre
Boyle McCauley Health Centre
Capital Centre (Dickensfield Mall)
College Plaza

Twin Brooks Public Health Centre
WSP Place
West Jasper Place Public Health Centre
WestView Health Centre
Westlawn School
Westmount Shopping Centre

*The portal strategy is under development.*
Connect Care Implementation: Wave 1

DynaLIFE TRANSITION

The following DynaLIFE sites will be part of Wave 1 implementation:

WAVE 1 NOVEMBER 2, 2019

- Athabasca Place
- Beaumont Village
- Belmont Town Centre
- Boyle Mccauley Health Centre
- Callingwood Market Square
- Camrose DynaLIFE
- Capilano Centre
- College Plaza
- Downtown Edmonton
- DynaLIFE Diagnostics - Base Lab
- Evansburg Health Centre
- Fort Saskatchewan Patient Care Centre
- Gateway
- Heritage Square
- Hys Medical Centre
- La Crete Community Health Centre and Home Care
- Lloydminster - Plaza 44
- Meadowlark Health and Shopping Centre
- Millbourne Shopping Centre
- Northern Lights Regional Health Centre
- Northgate Centre
- Northwest Health Centre
- Oliver Park
- Pallisades
- Red Deer DynaLIFE
- River City Centre
- Riverbend Square
- Riverview Crossing (Abbottsfield)
- Sherwood Park II - Synergy Wellness
- Spruce Grove Health Unit
- St. Albert DynaLIFE
- St. Theresa General Hospital
- Tawa Centre
- Thickwood Medical Building
- Trail South
- Westgrove Professional Building

*Updated February 2019
Subject to Change
Connect Care Implementation: Wave 2

**CALGARY ZONE**
- Airdrie Regional Health Centre (Urgent Care)
- Canmore General Hospital
- Claresholm General Hospital
- Cochrane Community Health Centre (Urgent Care)
- Didsbury District Health Services
- High River General Hospital
- Mineral Springs Hospital
- Oilfields General Hospital
- Okotoks Health and Wellness Centre (Urgent Care)
- Sheldon M. Chumir Centre (Urgent Care)
- South Calgary Health Centre (Urgent Care)
- Strathmore District Health Services
- Calgary TB Clinic
- Vulcan Community Health Centre

**CENTRAL ZONE**
- Centennial Centre for Mental Health & Brain Injury
- Consort Hospital and Care Centre
- Coronation Hospital and Care Centre
- Drayton Valley Hospital and Care Centre
- Drumheller Health Centre
- Eckville Community Health Centre
- Hanna Health Centre
- Innisfail Health Centre
- Lacombe Hospital and Care Centre
- Olds Hospital and Care Centre
- Our Lady of The Rosary Hospital
- Ponoka Hospital and Care Centre
- Red Deer Regional Hospital Centre
- Rimbey Hospital and Care Centre
- Rocky Mountain House Health Centre
- Stettler Hospital and Care Centre
- Sundre Hospital and Care Centre
- Sylvan Lake Community Health Centre
- Three Hills Health Centre
- Wetaskiwin Hospital and Care Centre

**NORTH ZONE**
- New Grande Prairie Regional Hospital

*Updated February 2019
Subject to Change

*Alberta Public Labs in Calgary Zone are planned for Wave 6.*
Connect Care Implementation: Wave 3

Edmonton Zone

- Devon General Hospital
- Fort Saskatchewan Community Hospital
- Leduc Community Hospital
- Northeast Community Health Centre
- Redwater Health Centre (lab only)
- Strathcona Community Hospital
- Sturgeon Community Hospital
- Westview Health Centre

*Updated February 2019
Subject to Change
Connect Care Implementation: Wave 4

**CALGARY ZONE**
- Alberta Children’s Hospital
- Peter Lougheed Centre

**CENTRAL ZONE**
- Camrose Community Cancer Centre
- Central Alberta Cancer Centre

**EDMONTON ZONE**
- Cross Cancer Institute
- Glenrose Rehabilitation Hospital

- Northern Lights Regional Health Centre
- Whitecourt Healthcare Centre
- Onoway Community Health Services (lab only)
- William J. Cadzow - Lac La Biche Healthcare Centre

*Updated February 2019
Subject to Change*
As Connect Care continues to evolve, so does the refinement of the wave-based Implementation Timeline, which was first introduced in late 2017, updated in early November 2018, and further updated in late December 2018. A number of factors are considered in determining when sites across Alberta Health Services (AHS) will go-live / launch. The original version of the Implementation Timeline was designed using a principles-based approach. Now, further refinement of implementation planning is taking place with stakeholders and Subject Matter Experts (SMEs) across the province.

**How**

Each site undergoes a strategic sequencing process that is guided and governed by a number of principles. These principles include:

- **Patient Safety and Quality**
- **Patient Transition and Flow**
- **Clinical Workflow**
- **System Functionality**: considering both current and future state
- **Implementation**: resources, time, budget, scope, training, risk, ability to deliver
- **Supports Connect Care Overall Objectives** (return on investment and benefits)
- **Vendor Recommendation**
- **Clinician Engagement**
- **Change Effectiveness**
- **Service Delivery within Combined Sites**
- **Interim State Impact and Variation in Sequence**

In addition to these principles, there are a number of variables that directly impact the implementation and resource planning. These variables include:

- Services offered at sites and the type of services that are provided.
- Complexity of service offerings considering the numbers of clinical areas, specialties, departments, units, users and beds.
- Staffing totals that impact the number of launch resources required at that specific site.
- Geographical distance between sites across zones.
- Minimizing the length of time clinicians and staff are working in an interim state, where part of a zone is using Connect Care and other sites and programs are using legacy systems.

**Changes**

**Changes in the December 2018 Version**

Here is a summary of the changes you’ll see:

- **Waves 1, 2 and 3**: now include information for Provincial TB Services
- **Waves 4, 5 and 6**: includes a list of AHS sites that will be launching with Connect Care in each of waves 4-6
- **Waves 7, 8 and 9**: will now be focused on Connect Care implementation across a number of provincial programs, taking into consideration the unique needs and provincial scale of these programs, including standalone locations outside core AHS sites. Sequencing details for these programs will be coming in a future iteration of the Implementation Timeline.

**Next Steps**

In the coming months, further work will be done to drill down to the next level of sequencing detail to determine how clinics, services, and programs not yet listed will fit into the Implementation Timeline.
