

QHI WEBINAR SERIES:

SHARED LEARNING IN QUALITY & PATIENT SAFETY EDUCATION

UPCOMING WEBINAR:

“She’s no visitor – she’s my wife”: Enhancing Family Presence

Join us to learn about family presence. Family presence is a way of thinking about and including families as true partners in care and supporting family to be present in all of our care settings, when and for as long as is needed. This webinar will highlight behaviours and actions of families and staff that depict family presence. Learn from providers who are planning for and trying out family presence in their programs.

By participating in this webinar you will

- Gain a broader understanding of family presence – meaning, behaviours, myths, benefits and considerations
- Learn from the experiences of AHS providers and hear their stories

Webinar Date: Wednesday, April 19, 2017

Time: 12:00 – 1:00 PM

Who Can Attend: Anyone in AHS (staff and physicians) - bring a friend, a patient advisor, or anyone who is interested in improving patient safety and quality.

Guest Speakers:

Ann Lemieux, Senior Consultant, Engagement and Patient Experience

Marilyn Wacko, Senior Consultant Patient and Provider Experience Office, RAH

Dr. Curtis Johnson, Associate Zone Medical Director, RAH/SCH, Facility Medical Director, Royal Alexandra Hospital

Additional Information: Webinar details will be emailed to all participants the morning of the session.

To Register: AHS Employees and Physicians may register through [MyLearningLink](#). For other inquiries, or registration for those without access to MLL, please email gpse@ahs.ca.
